

## Trust for the National Mall 2017 Internship

### Organization Summary

The Trust for the National Mall is an official partner of the National Park Service dedicated to sustainably restoring and improving the National Mall. The National Mall – the iconic grounds stretching from the U.S. Capitol to the Lincoln Memorial that hosts 33 million visits a year – is facing a backlog of more than \$400 million in deferred repairs and \$350 million in needed upgrades. This public-private partnership model for high-impact projects is designed to preserve and improve the grounds and structures that honor America’s history, heroes and hope.

### Position Summary

Our internship program provides valuable, hands-on, professional experience that few other programs can offer. High levels of organization, attention to detail and ability to multi-task are needed to succeed in this fast-paced environment. In addition to daily tasks, the intern will work closely with their direct supervisor and intern manager to develop and achieve personal goals.

The candidate must possess the skills necessary to prioritize effectively and follow through on multiple projects simultaneously. They must demonstrate impeccable verbal and written skills; proficient use of MS Office applications is preferred. He/She must be able to work in a fast-paced environment, be a poised self-starter who can work effectively as a member of a team, as well as function independently with minimal supervision. Good judgment, discipline of discretion regarding sensitive and confidential information, sense of urgency, accuracy and cooperation are essential to this position.

### Scope

Each intern plays an important role within the Trust. The position is somewhat flexible to the interests of the intern and the department, but will generally conform to the following:

- 70% Programmatic support, donor management, research and planning
- 30% Administrative support, data management and assisting directors and staff with daily tasks

### Qualifications

- Excellent verbal and written communications skills.
- Enthusiasm and dedication to teamwork.
- Ability to present information concisely and effectively, both verbally and in writing.
- Ability to organize and prioritize work.
- Ability to work independently with little supervision.
- Excellent interpersonal skills.

### Positions Available:

#### 1. Marketing & Corporate Sponsorships

- As part of this team, the intern will play a vital role in the development and execution of the Trust’s marketing platform and support efforts to grow corporate sponsorships and high net-worth individual development.
- The intern will actively be researching corporate sponsor prospects, developing target lists of high net-worth individuals, customizing pitch decks, as well as staffing events, developing collateral materials, and more.

## **2. Communications and Social Media Intern**

- The Communications intern will support all communications efforts geared towards the execution of a robust, national strategy and large scale initiatives.
- As part of this team, the intern will play a vital role in public relations, digital and traditional communications, and updating the corporate website, social media outlets and fundraising collateral

## **3. Development & Annual Giving**

- As the heart of the Trust, the Development team is responsible for securing and nurturing donor relationships. The Annual Giving intern will research and identify donor prospects, manage donor records, assist with giving society marketing and stewardship.
- The Annual Giving intern will also assist with the Trust's planning of small and large-scale events taking place in 2017 in support of our 10-Year Anniversary.

### **How to Apply**
